

# Love In A Box

## Baby Gift Packing Instructions

### Boxes for Babies (3-23 months)

Several charities request baby boxes. Here is a special instruction sheet on how to prepare them. These boxes are slightly different than the regular boxes. They will contain items for the baby AND for the mother. You can pack everything in a wrapped shoe-box or in a decorated diaper tote.

#### HOW TO PREPARE YOUR LOVE-IN-A-BOX

- 1** Take an empty **adult-size** shoebox.
- 2** Wrap your shoebox in colorful paper. Please wrap the lid and box separately.
- 3** Pack your box. Please include all items on the checklist.
- 4** Use an elastic band to keep the lid closed.  
**Do not use tape!**
- 5** LABEL the end of the box, mark BABY (add GIRL or BOY if your items are gender-specific) AND the AGE, example: BABY BOY 6 months
